Saint Paul continues to partner with Legacy Charter Elementary School. Many of these children's families cannot afford the basic school supplies required to begin the new school year. One way we can help is to provide a bookbag filled with a supply list for a particular grade. We invite you and your family and the small groups of the Church to continue to participate in this bookbag ministry. Class Supply List for different grades will be available soon in the Narthex. We will have a Blessing of Students, Teachers, Bookbags, and Supplies for a New School Year during our worship service in August. The school supply list will also be posted on our website and facebook page. Feel free to buy a few items on the list or all of the items. Every gift is appreciated.

United Ministries Place of Hope is in need of travel size soap – not regular size. They give participants the travel size for their showers each morning. Approximately 40 people take showers 5 days per week. Please drop off your donations to the basket in the narthex or take them directly to the United Ministries Place of Hope.

VBS MISSION

Hero Central VBS will begin Sunday, July 16. We will collect school supplies for Legacy Charter Elementary School. Our offering this year will go to the Backpack Ministry for Legacy. Our goal is to be able to sponsor a child for a year. We are looking forward to an exciting week of learning about God's word and "Discovering Your Strength in God".
