eChristianEd Webinars

A New Educational Ministry for Clergy and Laity in the Local Church

eChristianEd is excited to announce a new ministry we are adding to our online program, **Webinars**. These are short term classes or workshops designed to support the ministry of the clergy and laity serving in local congregations. These Webinars provide live, online interaction with the instructor and other participants.

The technology needed to participate includes: Internet Explorer, Internet Access via DSL or a Cable Modem, A Webcam, A Microphone, and Speakers on the Computer.

Continuing Education Units will be offered with each Webinar.

The cost for each is \$30.

Interested Participants can register and pay online at www.echristianed.com.

Space is limited so register early!

IT Support

Don't worry if you have never participated in a webinar. Before your class date, you will receive an invitation to visit the Webinar site. While there, an eChristianEd representative will help walk you through the program and make sure your technology works. This way the day of the course will run smoothly. You will be a webinar expert in no time!!!
